Warmest greetings in our Lord Jesus Christ,

After prayer and thoughtful consideration, we would like to invite the young people for a time of fellowship, spiritual encouragement, and activities during the MLK holiday weekend of Jan 12-14, 2024 in the Cuyahoga Falls area of Ohio. We expect that activities will start around 7pm on Friday evening and will continue through Lord's Day evening. Monday is a holiday in the USA, and we do encourage those who are able to stay until Monday morning to do so. Since weather is unpredictable that time of year, we would encourage the young people to bring recreational attire for both inside and outside activities. We would also appreciate if those coming brought a sleeping bag since beds will be limited. If you have more specific questions, we would encourage you to email us at tedandjulie02@gmail.com or check the YP Event section on our assembly website at www.assemblyincf.com. Plans for the weekend are still being finalized, and as we know more, we will provide information on our website. We would appreciate if you could let us know of your plans (i.e. arrival/departure, names, ages, etc.) by Jan 1, 2024.

We remain encouraged to see the number of camps and conferences, and the corresponding real interest to attend, since the pandemic a few years ago. The verse in Hebrews 10:25 makes it very clear that we are not to forsake the assembling of ourselves together, but so much the more as we see the Day approaching! It is our earnest desire and prayer that this time for the young people would be a time of spiritual renewal and strengthening of friendships, and as such, we really value your prayers.

Also, this invite was sent to assemblies with known young people within a reasonable driving distance. However, if for some reason you are aware of any young people that did not get the invitation or were missed, but would like to come, please let them know they are welcome!

With love in our Lord Jesus Christ,

Ted and Julie Allan
